of the State has to forward to the Mysore Residency the necessary certificate and warrant and on their receipt, the Residency will move us to take steps for the surrender of the accused persons. The warrant is thereafter executed by the Mysore Magistrates. In case the accused person is undergoing imprisonment in any of the Jails in Mysore it is forwarded to the Officer in Charge of that Jail for Compliance.

(3) The same mutual ~~arrangement~~ understanding seems to exist between the Durbar and the Native States under the political jurisdiction of the Madras Presidency. The States of Pudukkottai, Cochin & Hyderabad have complied with our requisitions for extradition. In the case of Hyderabad we have in return also acceded to surrender the accused persons.

able to have any papers relating to an understanding in the matter of Extradition between the this State and Sundur. It is therefore clear that a Magistrate of that State has no authority to issue a warrant for the arrest of an offender living in Mysore.

5) If the Extradition of the offender is desired by the Sundur authorities they may make a requisition through their own Political Agent (and this Residency) and our Govt will then be able to say whether the offenders are to be delivered over and if so under what Conditions. In any case a warrant by the Resident in Mysore would be necessary to cover the transit of the accused persons thro' the intervening British Territory.

6) The Dist. Magte of Chitaldrug seems therefore to have acted properly in ordering the release of the persons arrested. He may be informed that they may be discharged altogether as the proper Course for the Sundur State

25) The accompanying papers relate to the extradition of two persons, subjects of Mysore, for being tried at Sandur, for an offence committed within that State.

26) 2. Sandur is a Native State within the Bellary District, of which the Political Agent is the Collector of Bellary. In the Court of the Dewan-Magistrate who is a first class magistrate, a complaint was lodged against Narasa and Penna, residents of Bandravi in the Molakalmuru Taluk, that they committed robbery armed with a deadly weapon (Sections 392 and 398, Indian Penal Code), upon one Burma a Sandur subject, within the limits of Sandur. A 'prima facie' case against the accused having been made out, the Sandur Durbar moved the Madras Government to request the Mysore Durbar to surrender the two accused persons as an act of courtesy and at the instance of the Madras Government, a communication has been received from the Residency enquiring if the Mysore Durbar are prepared to issue instructions for the surrender.

"Paper under disposal

27) 3. The Councillors are of opinion that the surrender may be ordered if the Sandur Durbar would be prepared to grant reciprocity in case of similar applications from the Mysore State. The draft reply gives the outlines of the arrangement which is proposed to be entered into. It is similar to the engagement with His Highness the Nizam's Government except that offences relating to Post Offices, Telegraphs and Railways have not been included. The draft may be approved.

S I R,

In forwarding herewith records received from the Amildar Magistrate of Molakalmuru with his report No. 314 dated 30th May 1912 I have the honor to state as follows:-

The 1st Class Magistrate of Sundur which appears to be a Native State, issued warrants for the arrest of two Mysore Subjects who were suspected of having committed robbery in the Sundur State. The warrants were taken for execution by the Police Inspector of the Sundur State to the Rampur Police Station in the Molakalmuru Taluk, and it is stated that with the help of Duffedar No. 136 of the said station the persons were arrested on 26th May 1912 and were taken to the Amildar Magistrate of Molakalmuru who remanded the accused persons to custody in the Molakalmuru Taluk Lock-Up for 15 days, to enable the Sundur Police to obtain an extradition warrant and has asked me for instructions in the matter.

I am not aware of the relations, if any, between the Sundur State and Mysore as regards extradition, and in any case, the procedure that is prescribed in the Extradition Act for observance by British Magistrates in similar cases has not been followed by the Molakalmuru Magistrate.

I am therefore directing the Magistrate to release the

accused persons on sufficient security and report the fact to the Sundur Police to enable them to take what further steps may be necessary.

As the arrests are reported to have been " with the help of a Mysore Duffedar " the arrest and detention may perhaps be taken to be covered by sections 54 and 167 of the Criminal Procedure Code and section 497 might cover their release on bail.

I am not aware of the authority under which the Sundur Magistrate issued a warrant for arrest of persons in Mysore Territory, as from the Sundur Police Inspector's report it does not appear that the Sundur Magistrate is a British Magistrate, seeing that ~~as~~ in that case, no rendition proceedings are necessary.

I request the favor of early instructions as to what further actions, if any, should be taken in this matter.

I have the honor to be,

S I R,

Your most obedient servant,

K Chaudy

Sir

Adverting to your letter No 3712
Cfs 318 11-2
dated 22nd instant, I have the honor to state that the 15 days' remand ordered by the Taluk Magistrate have expired by the time my advice (red order) reached the Taluk Magistrate. It was on this account that he was not specifically asked to keep the accused for 15 days although in my letter to Government I had clearly indicated that such detention would be correct.

2 When I went to Nelamangala Since, it was reported to me that the Taluk Magistrate is under the jurisdiction of the Bekary District Magistrate. The Taluk was thereupon asked to intimate to the Taluk Police

that if this is so, the warrant itself, if countersigned by the District Magistrate of Bahamas, could be executed in Nigeria under Chief Commissioner's Notification No 3 dated 23rd July 1878, and that no extradition proceedings would then be necessary. As the Sandun Inspector reported that he would get a "requisition" warrant and wanted the Nigerian Police to keep the accused till then, I am doubtful whether the Court if any, of the District Magistrate over the Sandun Magistrate is of the same nature as over other British magistrates. In any case if the District Magistrate of Bahamas takes the responsibility of countersigning the warrant, I shall have it executed as that of any British magistrate

I am directed to acknowledge the receipt of your letter No. 4239 dated the 24th July 1912, enquiring whether the Durbar are prepared to issue instructions for the surrender to the Sandur State of two persons accused of having committed robbery in that State.

2. In reply, I am to state that the Durbar have no objection to surrender the accused persons if the Sandur State are willing to grant reciprocity in the case of similar applications that may be made to them hereafter by the Mysore Government. The arrangement which the Durbar would at present suggest is that by which persons charged with offences which are extraditable under the Law in force in British India are to be surrendered by one Government on the requisition of the other.

---

I have the honour to state that on the afternoon of 8th May last a robbery occurred in the Hanumappa Kolla ravine within our limits. The victim is one Burma a taliari of Appayyanahalli. He was going to Bandravi in the Mysore Province to fetch jasmine -- flowers. He covered his head with a bamboo basket. All on a -- sudden he was startled by a blow on the said basket dealt from behind. He turned round and found two men standing with raised hands holding axes. He caught one by the neck and seized the axe in the hands of the other. The former releasing himself snatched away Burma's turband containing five full rupees and his mantle. The latter in his attempt to wrench the axe away from Burma's grasp injured his forehead with the same but did not succeed. The two robbers took to heels. Burma got over a hill to see where they were going. He saw them enter Bandravi. He presently saw Forest Watcher Komari and told him what had occurred. They both went to Bandravi and reported the occurrence to the Reddi who happened to be in the village chavadi at the time. Burma offered to identify his assailants. He found the man with the injured forehead among the crowd there and identified him. He then came to know of his name as Narasa. This man admitted the offence and stated that he had committed it in company with Penna. Penna was sent for and admitting the offence produced the turban, mantle and five rupees. The Reddi told Burma to compromise the matter receiving back his property. Burma refused to do so and said he would report the -- occurrence to the Reddi of his own village. He did accordingly the same evening. These facts are sworn to by Burma and the Forest Watcher.

2. Narasa is said to be a boy of 15 and penna an young man of 22. Our police arrested them and delivered them into the custody of the Sub jail Officer, Munakalmuruvu. Bandravi is a village of that taluk and Narasa and Penna belong to that village. I have the honor to request that you will be so good as to ask the Mysore -- Authorities to surrender the accused to the Sandur Durbar. They

stand charged with an offence punishable under sections 392 and 398, I.P.C.

I send herewith the statements taken from Burma and Komari for your information and return.

Calling	Working Talari
Age	38

I am the working talari of Appayyanahalli. About 27 days ago on a Wednesday the Reddi of Appayyanhalli sent me to Bandravi in the Monakalmuru taluk for jasmine flowers. I went there at 2 P.M. While going in Hanumappan Kolla I received a blow on the head from behind. My head was protected by a bamboo basket which the Reddi had given me to put the flowers in and which I had put on the head as a hat. I turned back and found two men with their hands holding axes up. I held fast one by the neck and caught the axe in the -- hands of the other. The former released himself and snatching away my turband which had dropped from the head, undid the knot containing five full rupees and took them away. He took away also my turband and a small mantle I had on. The man whose axe I caught attempted to snatch it away and in so doing got himself hit in the forehead by the said axe. He ran away leaving the axe in my hands the same as that now before the Court. These two assailants were strangers to me. To ascertain whither they were going I went and stood upon a hill just where the Bandravi and Maltpur foot-paths meet. From there I saw my assailants going into Bandravi. Forest Watcher Komari was returning from his beat. He questioned me why I was there. I said I was robbed in the Hanumappa Kolla and wanted him to go with me to Bandravi telling him that I could recognise

them. We both went to Bandravi at about 4 P.M. and I complained to the Reddi who was there in the village chavadi. The Reddi wanted to know how I could say that the robbers belonged to his village. I said I would identify them if he would muster the men of the -- village. Presently the man who in his struggle to snatch away his axe got himself hit on the forehead turned up having applied chunam to the injury. I pointing to him said that he was one of the two who had robbed me. That man at first denied the charge but subsequently admitted that himself and Penna had robbed me. The Reddi sent the Village Talari to fetch Penna. Penna was brought up. I said that he was the other robber who had walked away with my -- clothes and money. Penna produced my turband, mantle and five rupees. The Reddi said that I should compromise receiving back the clothes and money. I said I would not but would go and tell our reddi all that had occurred. I accordingly returned to Appayyanahalli the following forenoon and reported the matter to the Reddi. The -- robber who had received an injury in the forehead is Narasa. I learnt his name at Bandravi. The turban and mantle were of white colour. The robber who took them away escaped with his axe. I returned to Appayyanahalli on Wednesday and reported the occurrence to the Reddi. I called at Sandur on Thursday with the Reddi's report.

On 8th May 1912, I was returning from Magarkolla and other places

places I had visited. I met Taliari Burma of Appayyanahalli. He was descending a hill. I wanted to know why he was without a -- turband. He said that he was robbed in the Hanumappa Kolla. He stated also that the robbers went into Bandravi and wanted me to go with him there. We both called at Bandravi in the afternoon. -- Burma complained to the Reddi in the village chavadi at the time that he was robbed. The reddi wanted to know how Burma could say that the robbers belonged to Bandravi. Burma said "send for the men of your village and I will identify them". While this parleying was going on, a man with an injury on the forehead to which chunam had been applied turned up. Burma at once identified him as one of his assailants. That man at first denied the charge but subsequently admitted that himself and Penna had committed the offence. Penna was sent for. He too at first denied but subsequently admitting his complicity produced one turband, one mantle and five full rupees. The Reddi told Burma to compromise the -- matter. Burma refused to do so and said he would go and report the occurrence to his Reddi. He requested him (Reddi of Bandravi) to keep in his charge the articles produced by Penna. Narasa is the name of the man who had an injury on his forehead. When I met Burma on the Bandravi foot path I found him with an axe. He said that he had wrested it from the robbers at the time of the attack. I took it into my hands and examined it. It is the same as that before the Court. We returned to Appayyanahalli the same evening and reported the occurrence to the Reddi.
